**Max „Hartwin“ Stein**, born on 10th of March 1987, **started SnowBoarding in 1996**. Hartwin is one of **SnowFront's** most **versatile** riders. He likes shredding the **park, urban features, waterslides, Rockjibs** and **big mountain lines**. After gaining two years of experience as a **snow-park shaper** at **Q-Parks**, Hartwin has gone on to form his own BackCountryKicker-projects. Hartwin shows his **dedication** towards his projects by enjoying **airtime**, as well as setting up the **camera** to capture his BackCountry adventures.

Hartwin is SnowFront's most **ambitious surfer**. He enjoys all types of waves, from summer trips in the **ocean** to simple **riversurf**-sessions.

It's all about surfing and getting better at it.
