

SnowBoarder

Max „MJ“ Kaffl, born in Bad Aibling on 14th of January 1991, is a creative **SnowBoarder** since 2005 and enjoyed an apprenticeship as retail salesman in a local SnowBoard/skate-shop. He is *stoked* about riding **kickers** and **jibbing everything**, but loves the **back-country** as well. He additionally shapes his own obstacles in the city with **SnowFront**, at day or night, in hoody or downy feather. During summertime MJ is concerned with slacklining, longboarding, trampolining, camping, fishing & bbq.
